

## Nanocerox announces the release of new Company web-site.

NANOCEROX CONTINUES TO DISPLAY INDUSTRY-LEADING KNOWLEDGE & INNOVATION WITH NEW WEB-SITE.

ANN ARBOR, MI – MAY, 2011

Nanocerox has released a new web-site highlighting the attributes of the nanotechnology company.

*"Nanocerox has long delivered nanotechnology solutions to the marketplace,"* says Annette Kennedy – Vice President of Sales. "Today, Nanocerox is continuing to lead the marketplace with high-purity nanopowders and optical ceramics; and the web-site provides an excellent resource to customers worldwide."

### ABOUT NANOCEROX

Nanocerox is a leading producer of high purity ceramic nanopowders and optical ceramics; and develops, refines and manufactures nanopowders to produce products requiring transparency, durability and heat resistance for use in industrial, military, medical and aerospace applications. Nanocerox's patented Liquid Flame Spray Pyrolysis process produces highly pure, chemically-precise and uniformly-sized nanoparticles.
